

### Reindeer Food

Use this special reindeer food to guide Santa on Christmas Eve. Sprinkle some on the ground outside, and it will glitter in the moonlight. The reindeer will see it and then follow the smell of the oats to where you are.

## Instructions for making Reindeer Food

### You will need:

small plastic bags (or use 20cm squares of cellophane), rubber bands, ribbon (about 20cm), rolled oats, glitter, a hole puncher, labels

### What to do:

Spoon 1 Tablespoon of rolled oats into a bag. Add a pinch of glitter. Seal the bag using a rubber band. Tie a piece of ribbon around the rubber band. Punch a hole in one corner of the label and attach to the ribbon.

Hang from the Christmas tree until Christmas Eve.
